**Instructions for Applying  
for Multistate Licensure  
for *EXISTING ACTIVE OKLAHOMA LICENSEES***

**APPLICATION FEE = \$150.00**

*Per 59 O.S. § 4100.8, there is NO fee required to submit this application if:*

- *you are active duty military personnel or the spouse of an active duty military personnel who has received orders or notice for military transfer or honorable discharge to this state; and*
- *you have a valid license in another state at the same level of licensure in good standing with requirements reasonably equivalent to this state.*

*Please see the “Military Personnel” section for more information.*

**Use this application if you:**

- **Wish to apply for a multistate license;**
- **Are currently licensed as a Registered Nurse (RN) or Licensed Practical Nurse (LPN) in Oklahoma and your license is active and unencumbered (e.g., your license is not revoked, suspended, on probation, monitored, on conditions, limited, or any other encumbrance on licensure affecting your authorization to practice); and**
- **Declare Oklahoma as your primary state of residence (see the section titled *Declaration of Primary State of Residence* in the application instructions for details).**

**General Information**

Effective **January 19, 2018**, Registered Nurses and Licensed Practical Nurses who hold an Oklahoma license in active status and meet certain requirements are eligible to apply for multistate licensure. Once the Board grants the multistate license, the nurse can then engage in nursing practice in any of the Enhanced Nurse Licensure Compact states without having to obtain additional licenses. A list of states participating in the Enhanced Nurse Licensure Compact is available at <https://www.ncsbn.org/enhanced-nlc-implementation.htm>.

Do not submit this application unless your Oklahoma license is active and unencumbered, and you declare Oklahoma as your primary state of residence; otherwise, Board staff will not proceed with review of your application.

Not all applicants will be eligible for a multistate license. In order to be eligible, the applicant must submit an application, pay a fee, submit fingerprints for a federal criminal background check,

and meet the requirements listed in the following section. Because licensing laws change over time, it is possible that requirements that are now in place were not in place at the time you obtained your Oklahoma license. In addition, records submitted at the time you were licensed may no longer be available for review by Board staff. Therefore, to determine whether you meet the requirements for the multistate license, Board staff may request additional information. In some cases, this will involve additional time and fees as required by other entities; including but not limited to time and fees to obtain an official transcript, to verify international education by an independent credentials review agency, to complete English language testing for the nurse who was educated in another country, or to obtain a verification of licensure information from another state. **Only submit an application if you meet all requirements listed as fees are non-refundable.**
