Licensure and Advanced Practice Requirements: Approval for authority to select, order, obtain and administer drugs requires a current Oklahoma license to practice as a Registered Nurse OR a current multistate Registered Nurse license in a Compact state with multistate privileges in Oklahoma and as a Certified Registered Nurse Anesthetist.

Educational Preparation: The CRNA applying for reinstatement of authority to select, order, obtain and administer drugs must upload documentation verifying completion of a minimum of eight (8) units of continuing education in advanced pharmacology related to the administration of anesthesia as recognized by the American Association of Nurse Anesthetists within the two-year period immediately preceding the date of application. In addition, an official transcript of the initial CRNA education must be submitted from the nurse anesthetist educational program, if not already on file at the Board office.

Review of criminal charges, disciplinary action, or judicial declaration of incompetence: Applicants for licensure are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A "report in writing" means that the applicant/licensee provided a description stating in his/her own words the date, location, and

circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board.
