

**Instructions for REINSTATEMENT of
ADVANCED UNLICENSED ASSISTANT CERTIFICATE**

Application fee = \$65.00

Use this application if:

- **You have been previously certified as an Advanced Unlicensed Assistant (AUA) in Oklahoma; and**
- **Your certification is currently lapsed, suspended, voluntarily surrendered, or revoked.**

Persons employed as an AUA without a valid Oklahoma certification are notified to cease employment immediately until a valid AUA certificate is issued. Continued employment in a position requiring AUA certification without a valid AUA certification will be considered in violation of the provisions of the *Oklahoma Nursing Practice Act*.

**PLEASE REVIEW THESE INSTRUCTIONS
BEFORE COMPLETING THE APPLICATION**

Forms referenced may be found in the Forms / Applications link on the Board's website.

**REQUIREMENTS for REINSTATING
your AUA CERTIFICATE**

Verification of citizenship status: State law requires the Board of Nursing to issue a certificate only to U.S. citizens, nationals and legal permanent resident aliens; and to qualified alien applicants who present, *in person*, valid documentary evidence of:

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the U.S.;
2. A pending or approved application for asylum in the U.S.;
3. Admission into the U.S. in refugee status;
4. A pending or approved application for temporary protected status in the U.S.;
5. Approved deferred action status; or
6. A pending application for adjustment of status to legal permanent residence status or conditional resident status.

Applicants in the above six categories will only be eligible to receive a certificate that is valid for the time period of their authorized stay in the U.S., or if there is no date of end to the time period of their authorized stay, for one year. The certificate is required to indicate that it is temporary. The information will be verified through the Systematic Alien Verification for Entitlements (SAVE) Program, operated by the U.S. Department of Homeland Security.

Verification of continuing qualifications for practice: The application for reinstatement must include one of the following:

- verification of employment as an AUA in an acute care setting for a minimum of 12 months within the previous 24 months; or

- verification of successful completion of twelve hours of clinical in service appropriate to the AUA role within the previous 24 months; or
- rewriting the certification examination with a passing score, both the written and core skills portions of the exam; or
- verification of initial certification as an AUA within the 24 months immediately prior to reinstatement of AUA certification.

Review of criminal charges, disciplinary action, or judicial declaration of incompetence:

Applicants for AUA certification are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A “report in writing” means that the applicant/licensee provided a description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report should be in the form of a statement in the provided space on the application. Certified court records or a board order, as applicable, must be uploaded during the application process. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.
