

HEARINGS AND CONFERENCES

Language in Board Orders directs automatic revocations, suspensions or temporary suspensions when licensees or applicants violate existing Orders of the Board. Listed below are licensees or applicants with suspensions, revocations or temporary suspensions, after September, 2008 Board Meeting. The Subsequent Action taken due to non-compliance by the licensee of an existing Board Order changes licensure status which may be listed for a licensee or applicant with the September, 2008 Board Hearings and Conferences, which follow the Subsequent Actions list.

In addition, other suspensions of licenses occur in compliance with Statute 59 OS § 567.17 1. of the Oklahoma Nursing Practice Act, when a nurse defaults on a contract with the Peer Assistance Program. A suspension letter is issued, and no Order is entered until the matter is heard by the Oklahoma Board of Nursing.
