The Board reviewed and discussed the Educational Advancement for Registered Nurses resolution passed by the Oklahoma Nurses Association in October, 2009. No action was taken.

6.5 Review and Board decision on presentation of continuing competence model to stakeholder groups for input

J. Ward was present to address questions of the Board.

The Board discussed options for evaluating continuing competence, and gave input on proposed model language (Attachment #4) to the Oklahoma Board of Nursing Rules, OAC Title 485, to be considered in FY2011. The Board selected twenty-four (24) contact hours of continuing education applicable to nursing practice per two year renewal cycle, as this number is consistent with other boards of nursing requiring contact hours. The Board also selected six (6) academic semester credit hours of nursing coursework, at the licensee's current level of licensure or higher, to be consistent with current rules for reinstatement/endorsement/examination continuing qualifications. It was moved (J. Jeter) and seconded for Board staff to move forward with presenting the model rule language, as amended, to stakeholder groups and licensees to solicit their input.
