as an ADVANCED PRACTICE REGISTERED NURSE

APPLICATION FEE - \$70.00

Use this application if:

- you are applying for advanced practice registered nurse licensure in Oklahoma; and
- you have not been licensed previously in Oklahoma in the same advanced practice role; or if you are applying for an additional advanced practice role (i.e., CNP, CNS, CNM, or CRNA); or if you are applying for an additional specialty area.

PLEASE READ THESE INSTRUCTIONS CAREFULLY
BEFORE COMPLETING THE APPLICATION.

APPLICATIONS ARE AVAILABLE FOR SUBMISSION ONLINE THROUGH
<https://www.ok.gov/nursing/licensing/app/index.php>.

A paper copy may be requested by the individual applicant by submitting a written request for such to the Board office. The applicant must include a postage-paid (\$1.06 postage cost) 8 ½ x 11 inch return envelope for Board staff to return an application.

Forms referenced may be found in the Forms / Applications link on the Board's website.

There are four roles of Advanced Practice Registered Nurses defined in the *Oklahoma Nursing Practice Act*: the Certified Nurse Practitioner (CNP), Certified Nurse Midwife (CNM), Clinical Nurse Specialist (CNS), and the Certified Registered Nurse Anesthetist (CRNA).

The *Oklahoma Nursing Practice Act* requires either a dated Oklahoma temporary Registered Nurse and APRN license or current licensure as a Registered Nurse and as an Advanced Practice Registered Nurse from the Oklahoma Board of Nursing *prior* to employment in Oklahoma in a role that requires licensure as an Advanced Practice Registered Nurse or identifying oneself as an Advanced Practice Registered Nurse. Applications for RN licensure by endorsement and reinstatement are available on the Board's website for those who do not currently hold an active Oklahoma RN license. The Advanced Practice Registered Nurse must hold a separate license in each specialty area for which he/she has obtained the required education and certification.

Only those persons who hold a license to practice advanced practice registered nursing in this state shall have the right to use the title “Advanced Practice Registered Nurse” and to use the abbreviation “APRN”. Only those persons who have obtained a license in the following disciplines shall have the right to fulfill the roles and use the applicable titles: Certified Registered Nurse Anesthetist and the abbreviation “CRNA”, Certified Nurse-Midwife and the abbreviation “CNM”, Clinical Nurse Specialist and the abbreviation “CNS”, and Certified Nurse Practitioner and the abbreviation “CNP”. It shall be unlawful for any person to assume the role or use the title Advanced Practice Registered Nurse or use the abbreviation "APRN" or use the respective specialty role titles and abbreviations or to use any other titles or abbreviations that would reasonably lead a person to believe the user is an Advanced Practice Registered Nurse, unless permitted by this act. Any individual doing so shall be guilty of a misdemeanor, which shall be punishable, upon conviction, by imprisonment in the county jail for not more than one (1) year or by a fine of not less than One Hundred Dollars (\$100.00) nor more than One Thousand Dollars (\$1,000.00), or by both such imprisonment and fine for each offense [59 O.S. § 567.3a(5)].

Endorsement of the APRN license from another state: An applicant who is currently licensed or recognized as an APRN in another U.S. state or territory may be issued an APRN license by endorsement if current Board requirements for licensure as an APRN are met. The applicant must have met all requirements of the advanced practice certifying body to maintain full certification, including requirements for maintaining continuing competence. An applicant for APRN licensure by endorsement who holds certification on provisional or conditional status may be considered for licensure by the Board.

In addition to meeting other requirements for endorsement established by the Board in the *Rules*, the applicant for endorsement of the APRN license must demonstrate continued qualifications for practice through completion of one or more of the following requirements within the last two (2) years prior to receipt of a completed application in the Board office:

Review of criminal charges, disciplinary action, or judicial declaration of incompetence:

Effective November 1, 2013, state law (59 O.S. § 567.5 B 2.) requires each applicant for licensure as an Advanced Practice Registered Nurse to have a fingerprint-based background check not more than ninety (90) days old prior to submission of the application for licensure.

The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records.

- Please see the “Instructions” section for further information on obtaining a fingerprint-based background check.

In addition to the background check, applicants for advanced practice licensure who have ever been summoned, arrested, taken into custody, indicted, convicted or tried for, or charged with, or pleaded guilty to, the violation of any law or ordinance or the commission of any misdemeanor or felony, or requested to appear before any prosecuting attorney or investigative agency in any matter; or have ever had disciplinary action taken against a nursing license, certification or registration, any professional or occupational license, registration, or certification and/or any application for a nursing or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification in any state, territory or country, **or** have ever been judicially declared incompetent are required to notify the Oklahoma Board of Nursing if the incident has not previously been reported in writing to the Board. A “report in writing” means that the applicant/licensee provided a signed and dated description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report may be in the form of a letter or a statement in the provided space on the application. The report must be accompanied by certified court records or a board order. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.
