- Are applying to take the NCLEX; and
- Are NOT licensed at the same level in another state, U.S. territory, or country; and
- Were educated in a nursing program approved by a member board jurisdiction in the United States or U.S. territory; and

**PLEASE READ THESE INSTRUCTIONS CAREFULLY
BEFORE COMPLETING THE APPLICATION.**

In addition to completing the application form, you will need to complete an NCLEX registration, which may be completed on the *NCLEX* website: www.vue.com/nclex.

APPLICATIONS ARE AVAILABLE FOR SUBMISSION ONLINE THROUGH <https://pay.apps.ok.gov/nursing/licensing/app/index.php>. A paper copy may be requested by the individual applicant by submitting a written request for such to the Board office. The applicant must include a postage-paid (\$1.06 postage cost) 8 ½ x 11 inch return envelope for Board staff to return an application.

Forms referenced can be found in the Forms/Applications link on the Board's website.

Effective **January 19, 2018**, an applicant for licensure as a Registered Nurse or Licensed Practical Nurse who meets certain requirements is eligible to apply for multistate licensure. Once the Board grants the multistate license, the nurse can then engage in nursing practice in any of the Enhanced Nurse Licensure Compact states without having to obtain additional licenses. A list of states participating in the Enhanced Nurse Licensure Compact is available at <https://www.ncsbn.org/enhanced-nlc-implementation.htm>.

Do not submit this application unless you declare Oklahoma as your primary state of residence; otherwise, Board staff will not proceed with review of your application.

Not all applicants will be eligible for a multistate license. In order to be eligible, the applicant must submit an application, pay a fee, submit fingerprints for a federal criminal background check, and meet the requirements listed in the following section.

Your application for a multistate license will be reviewed to determine if you meet the criteria for issuance of a multistate license. If you **do not meet** the criteria for a multistate license but you **do meet** the criteria

for a single-state license, this application can be converted to an application for a single-state Oklahoma license, if you check the “YES” box in the application. Please note that if you do not meet the criteria for a multistate license and you check the “NO” box, indicating you do not want your application converted to a single-state Oklahoma license, **your application fee will not be refunded.**

Verification of citizenship status: State law requires the Board of Nursing to issue a license only to U.S. citizens, nationals and legal permanent resident aliens; and to qualified alien applicants who present, *in person*, valid documentary evidence of:

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the U.S.;

An official transcript from the nursing education program must be submitted directly from the nursing education program. The transcript must show the diploma or degree and the date conferred. The transcript must be obtained from an entity approved and recognized by the U.S. Department of Education as a primary source for providing education transcripts. The nursing education program you attended **must have included theory and clinical experience in the following areas:**

In order to be made eligible, you must have registered with the testing service (http://www.pearsonvue.com/nclex/?REDIRECT_TIMESTAMP=1514920242634).

Review of criminal charges, disciplinary action, judicial declaration of incompetence, or alternative program: Effective January 1, 2013, state law (59 O.S. § 567.18.B.) requires each applicant for licensure to have a fingerprint-based background check completed not more than ninety (90) days old at the time of submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing

criminal history records. Please see the “Instructions” section for further information on obtaining a fingerprint-based background check.

In addition to the background check, applicants for licensure who have ever been summoned, arrested, taken into custody, indicted, convicted or tried for, or charged with, or pleaded guilty to, the violation of any law or ordinance or the commission of any misdemeanor or felony, or requested to appear before any prosecuting attorney or investigative agency in any matter; or have ever had disciplinary action taken against a nursing license, certification or registration, any professional or occupational license, registration, or certification and/or any application for a nursing or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification in any state, territory or country, **or** have ever been judicially declared incompetent; or are currently participating in an alternative to discipline program in any state, territory, or country are required to notify the Oklahoma Board of Nursing in writing. A “report in writing” means that the applicant/licensee provides a signed and dated description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report may be in the form of a letter or a statement in the provided space on the application. The report must be accompanied by certified court records or a board order. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.

An applicant for an initial license to practice as a Registered Nurse or Licensed Practical Nurse must submit to the Oklahoma Board of Nursing “certified written evidence that the applicant has never been convicted in this state, the United States or another state of any felony, unless five (5) years have elapsed since the date of the criminal conviction or the termination of any probation or other requirements imposed on the applicant by the sentencing court, whichever shall last occur, or a presidential or gubernatorial pardon for the criminal offense has been received” [59 O.S. § 567.5]. **Therefore, applicants for licensure in Oklahoma with one or more felony convictions cannot apply for licensure for at least five years after completion of all sentencing terms, including probation and suspended sentences, unless a presidential or gubernatorial pardon is received. NOTE: An applicant for licensure in Oklahoma who has been convicted or found guilty, or entered into an agreed disposition, of a felony offense is not eligible for a multistate license.**
