

HEARINGS AND CONFERENCES

Language in Board Orders directs **automatic revocations, suspensions or temporary suspensions** when licensees or applicants violate existing Orders of the Board. Listed below are licensees or applicants with suspensions, revocations or temporary suspensions, after **November, 2007** Board Meeting. **The Subsequent Action taken due to non-compliance by the licensee of an existing Board Order changes licensure status which may be listed for a licensee or applicant with the November 2007 Board Hearings and Conferences, which follow the Subsequent Actions list.**

In addition, other suspensions of licenses occur in compliance with Statute 59 O.S. §567.17.1 of the Oklahoma Nursing Practice Act, when a nurse defaults on a contract with the Peer Assistance Program. A suspension letter is issued, and no Order is entered until the matter is heard by the Oklahoma Board of Nursing.
