Review of criminal charges, disciplinary action, or judicial declaration of incompetence:

Effective January 1, 2013, state law (59 O.S. § 567.18.B.) requires each applicant for licensure to have a fingerprint-based background check not more than ninety (90) days old at the time of submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records. Please see the specific “Instructions” section for further information on obtaining a fingerprint-based criminal background check. Please also read the *Privacy Act and Applicant Notification* found in the appendix to this set of application instructions.

In addition to the background check, applicants for licensure who have ever been summoned, arrested, taken into custody, indicted, convicted or tried for, or charged with, or pleaded guilty to, the violation of any law or ordinance or the commission of any misdemeanor or felony, or requested to appear before any prosecuting attorney or investigative agency in any matter; **or** have ever had disciplinary action taken against a nursing license, certification or registration, any

professional or occupational license, registration, or certification and/or any application for a nursing or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification in any state, territory or country, **or** have ever been judicially declared incompetent are required to provide a report in writing to the Oklahoma Board of Nursing. A “report in writing” means that the applicant/licensee provided a signed and dated description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report may be in the form of a letter or a statement in the provided space on the application. The report must be accompanied by certified court records or a board order, as described below. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.

An applicant for a license to practice as a Registered Nurse or Licensed Practical Nurse must submit to the Oklahoma Board of Nursing “certified written evidence that the applicant has never been convicted of a felony crime that substantially relates to the occupation of nursing and poses a reasonable threat to public safety” [59 O.S. § § 567.5, 567.6].

No application fee is required. Following confirmation that you hold a valid license in another state that is in good standing and reasonably equivalent to the requirements of this state, a temporary license will be granted within 30 days.

If you are relocating to this state pursuant to your spouse’s official military orders and you have not worked 520 or more hours in a licensed position in a state in which you were actively licensed within the past five years, state law [O.S. 59 § 567.11(8)] allows you to practice nursing in the state of Oklahoma for one hundred twenty days (120) **after** submission of an application and fees for licensure to the Board, provided that you:

- have an active, unencumbered license from another state or territory;
- have no health-related license in a disciplinary status; and

GENERAL INFORMATION

The *Oklahoma Nursing Practice Act* requires you to obtain a dated Oklahoma temporary license or valid Oklahoma license **prior** to employment in nursing in Oklahoma. This requirement does not apply to nurses practicing in certain federal facilities (contact the federal facility regarding its requirements for licensure.)

You must obtain a temporary/permanent license before orienting or working in a position requiring a nursing license.

Issuance of a temporary license does not guarantee you will qualify for permanent licensure in Oklahoma.

You may view average processing times of a completed application on the Board's website in the Agency Data / Statistics / Quarterly Statistics link. All applications are reviewed in the order they are received. Repeated telephone calls to check on the status of your application will delay, rather than facilitate, the processing of your application. If further review is required, the processing time may be lengthened.

Your *Application for Licensure by Endorsement* is valid for one year from the date it is received in the Board office. All requirements must be met within that year; otherwise, a new application, associated documents and fee must be submitted.

Once licensed, the *License Verification* link on the Board's website will be the first place your new license will be noted.

Registered Nurse licenses expire the last day of the licensee's birth month in even-numbered years, and Licensed Practical Nurse licenses expire the last day of the licensee's birth month in odd-numbered years following the date of issuance. The application fee includes the processing of your application and licensure through the current renewal period. **Fees are not pro-rated and are non-refundable.**

If you are an Advanced Practice Registered Nurse (Certified Nurse Practitioner-CNP; Clinical Nurse Specialist-CNS; Certified Nurse Midwife-CNM; or Certified Registered Nurse Anesthetist-CRNA), **you may not practice in Oklahoma as an Advanced Practice Registered Nurse until you have a current Oklahoma license to practice registered nursing and a license to practice as an Advanced Practice Registered Nurse (APRN).** To obtain an application for licensure as an Advanced Practice Registered Nurse you may access the Board website: www.nursing.ok.gov, and click on "License Registration".

In accordance with Oklahoma law (59 O.S. § 567.7.E), the Executive Director shall suspend the license or certificate of a person who submits a check, money draft, or similar instrument for payment of a fee which is not honored by the financial institution named. The suspension becomes effective ten (10) days following delivery by certified mail of written notice of the dishonor and the impending suspension to the person's address on file. Upon notification of suspension, the person may reinstate the authorization to practice upon payment of the fees and any and all costs associated with notice and collection. The suspension shall be exempt from the Administrative Procedures Act.
