as an ADVANCED PRACTICE REGISTERED NURSE

APPLICATION FEE - $70.00

Use this application if:
- you are applying for advanced practice registered nurse licensure in Oklahoma; and
- you have not been licensed previously in Oklahoma in the same advanced practice role; or if you are applying for an additional advanced practice role (i.e., CNP, CNS, CNM, or CRNA); or if you are applying for an additional specialty area.

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE APPLICATION.

APPLICATIONS ARE AVAILABLE FOR SUBMISSION ONLINE THROUGH https://pay.apps.ok.gov/nursing/licensing/app/index.php. A paper copy may be requested by the individual applicant by submitting a written request for such to the Board office. The applicant must include a postage-paid ($1.06 postage cost) 8 ½ x 11 inch return envelope for Board staff to return an application.

Forms referenced may be found in the Forms / Applications link on the Board’s website.

There are four roles of Advanced Practice Registered Nurses defined in the Oklahoma Nursing Practice Act: the Certified Nurse Practitioner (CNP), Certified Nurse Midwife (CNM), Clinical Nurse Specialist (CNS), and the Certified Registered Nurse Anesthetist (CRNA).

In order to obtain an Advanced Practice Registered Nurse (APRN) license in Oklahoma, the applicant must hold one of the following licenses:
- A current Oklahoma license to practice as an Registered Nurse (RN); or
- A dated temporary Oklahoma RN license; or
- A current multistate license to practice as an RN issued by another Compact state with Oklahoma multistate licensure privilege.

The nurse must obtain Oklahoma licensure as an APRN prior to employment in Oklahoma in a role that requires licensure as an APRN or identifying oneself as an APRN.
Applications for RN licensure by endorsement and reinstatement are available on the Board’s website for those who do not currently hold an active Oklahoma RN license, a dated temporary Oklahoma RN license, or a current multistate license to practice as an RN issued by another Compact state with Oklahoma multistate licensure privilege. The APRN must hold a separate license in each specialty area for which he/she has obtained the required education and certification.

Only those persons who hold a license to practice advanced practice registered nursing in this state shall have the right to use the title “Advanced Practice Registered Nurse” and to use the abbreviation “APRN”. Only those persons who have obtained a license in the following disciplines shall have the right to fulfill the roles and use the applicable titles: Certified Registered Nurse Anesthetist and the abbreviation “CRNA”, Certified Nurse-Midwife and the abbreviation “CNM”, Clinical Nurse Specialist and the abbreviation “CNS”, and Certified Nurse Practitioner and the abbreviation “CNP”. It shall be unlawful for any person to assume the role or use the title Advanced Practice Registered Nurse or use the abbreviation "APRN" or use the respective specialty role titles and abbreviations or to use any other titles or abbreviations that would reasonably lead a person to believe the user is an Advanced Practice Registered Nurse, unless permitted by this act. Any individual doing so shall be guilty of a misdemeanor, which shall be punishable, upon conviction, by imprisonment in the county jail for not more than one (1) year or by a fine of not less than One Hundred Dollars ($100.00) nor more than One Thousand Dollars ($1,000.00), or by both such imprisonment and fine for each offense [59 O.S. § 567.3a(5)].

- If you are applying for endorsement of your APRN license, in addition to certifications found in the above list, if you are actively licensed with a certification listed in the APRN Certification Examinations No Longer Approved by the Oklahoma Board of Nursing list, you may apply with that certification.

**Endorsement of the APRN license from another state:** An applicant who is currently licensed or recognized as an APRN in another U.S. state or territory may be issued an APRN license by endorsement if current Board requirements for licensure as an APRN are met. The applicant must have met all requirements of the advanced practice certifying body to maintain full certification, including requirements for maintaining continuing competence. An applicant for APRN licensure by endorsement who holds certification on provisional or conditional status may be considered for licensure by the Board.

(D) Submission of evidence of current national certification consistent with educational preparation and by a national certifying body recognized by the Board.

**Renewal Requirements:** Advanced practice licensure must be renewed concurrently with the Oklahoma Registered Nurse renewal in even-numbered years. If the Registered Nurse license is a multistate license issued by another Compact state, the Oklahoma APRN license must be renewed on even years by the end of the licensee’s birth month.

- If you are applying for advanced practice licensure within 90 days prior to the expiration date of your Oklahoma RN license, you must renew your license prior to the date the advanced practice licensure is granted. Please see the *Oklahoma Nursing Practice Act and Rules* for renewal requirements.
Review of criminal charges, disciplinary action, or judicial declaration of incompetence: Effective November 1, 2013, state law (59 O.S. § 567.5 B 2.) requires each applicant for licensure as an Advanced Practice Registered Nurse to have a fingerprint-based background check not more than ninety (90) days old prior to submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records.

* Please see the “Instructions” section for further information on obtaining a fingerprint-based background check.

In addition to the background check, applicants for advanced practice licensure who have ever been summoned, arrested, taken into custody, indicted, convicted or tried for, or charged with, or pleaded guilty to, the violation of any law or ordinance or the commission of any misdemeanor or felony, or requested to appear before any prosecuting attorney or investigative agency in any matter; or have ever had disciplinary action taken against a nursing license, certification or registration, or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification and/or any application for a nursing or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification or if there is currently any investigation of your nursing license, registration, or certification; and/or any professional or occupational license, registration, or certification; and/or any application for a nursing and/or professional or occupational license, registration, or certification in any state, territory or country, or have ever been judicially declared incompetent are required to notify the Oklahoma Board of Nursing if the incident has not previously been reported in writing to the Board. A “report in writing” means that the applicant/licensee provided a signed and dated description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report may be in the form of a letter or a statement in the provided space on the application. The report must be accompanied by certified court records or a board order. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the Oklahoma Nursing Practice Act.

3. **Background Check:** You must provide fingerprint images to be used for the purpose of permitting a state and national criminal history records search through the OSBI and FBI, even if you have previously had a state and national criminal history records search provided to the Oklahoma Board of Nursing. The criminal history records search must be conducted through the Board’s vendor, Idemia, no more than (90) days prior to receipt of the application in the Board office. The OBSN will provide the results of the search directly to the Board office usually within one or two weeks. If you have more than one incident you are reporting, you must speak to every case/charge that has been filed.
Question #1 in the section on History of Criminal Charges, Disciplinary Action, or Mental Incompetence in the application addresses a history of being summoned, arrested, taken into custody, indicted, convicted or tried for, or charged with, or pleaded guilty to, the violation of any law or ordinance or the commission of any misdemeanor or felony, or been requested to appear before any prosecuting attorney or investigative agency in any matter. If you answer “yes” to question #1 in this section, you must submit certified copies of the:

You may obtain these documents from the courthouse in the county/city or in the federal court of the district in which the court action occurred. The Board staff will not accept Internet court documents, such as Oklahoma Court Information System case reports. Please note that you must report all arrests and/or charges that have been brought against you.

If no records are found, have the agency provide a certified letter stating no records were found in a search from the date of offense through current.

Question #2 in the section on History of Criminal Charges, Disciplinary Action, or Mental Incompetence in the application addresses a history of disciplinary action taken against a nursing license, certification or registration; any professional or occupational license, registration, or certification; and/or any application for a nursing or professional or occupational license, registration, or certification. If you answer “yes” to question #2 in this section, please request that a certified copy of the Board order be submitted directly to the Board office from the licensing agency.

5. **Transcript**: An official transcript should be submitted from your advanced practice educational program verifying the degree conferred, date of conferral, advanced practice role and specialty. Transcripts that have been issued to the student will not be accepted.

The Oklahoma Board of Nursing must evaluate the curriculum provided in the out-of-state advanced practice program to ensure that it meets the state’s curricular requirements. If you completed an advanced practice program in another state, you may be requested to submit further information to verify that the program meets the requirements of the Oklahoma Board of Nursing.
6. **Certification by a National Certifying Body:** Current national certification at an advanced practice level in the specialty area consistent with the advanced practice educational program you completed and recognized by the Board is required to receive advanced practice licensure.

  o **Only one** certification may be selected per application. **Verification of your current certification must be received directly from the national certifying body.** Board staff can usually verify current national certification directly on the website of the American Association of Nurse Anesthetists, the American Midwifery Certification Board and National Certification Corporation. For all other certifying bodies, the Advanced Practice Registered Nurse must request that verification of the certification be provided directly to the Oklahoma Board of Nursing. In some cases, the certifying body will charge a fee for the certification. If so, the applicant for licensure as an APRN is responsible for paying the required fee to the certifying body.

In order to change or add an area of specialty and national certification, you must meet initial requirements for licensure as an APRN, which requires submission of a new application. In addition, the Board must be notified in writing of changes of national certification within the same specialty area within 30 days of the change.

7. **Fee:** You may pay the application fee online, using a VISA, a MasterCard or an electronic fund transfer when completing the application. **Fees submitted are not refundable.** If you submit a hard copy application, attach to your application the appropriate fee payable by cashier’s check, money order, or personal check. If you do not submit the fee with the application or if the fee is incorrect, the application will be immediately returned without review.

Your application to the Board is valid for one year after receipt. After that time, a new application and fee must be submitted. Applications are processed in the order they are received. You may view average processing times of a completed application on our website in the Agency Data / Statistics / Quarterly Statistics link. Repeated telephone calls to check on the status of your application will delay, rather than facilitate, the processing of your application. Fees submitted are not refundable.

The Advanced Practice Registered Nurse must hold prescriptive authority recognition for each advanced practice license in the State of Oklahoma in order to prescribe drugs and other medical supplies.

If it is necessary to submit additional information/documents after your application is received, please attach the form titled “Information to be Added to the Application” to the document (see attached form). This will help to ensure the document is added to your application file without delay.
In accordance with Oklahoma law (59 O.S. §567.7 (E)), the Executive Director shall suspend the license or certificate of a person who submits a check, money draft, or similar instrument for payment of a fee which is not honored by the financial institution named. The suspension becomes effective ten (10) days following delivery by certified mail of written notice of the dishonor and the impending suspension to the person’s address on file. Upon notification of suspension, the person may reinstate the authorization to practice upon payment of the fees and any and all costs associated with notice and collection. The suspension shall be exempt from the Administrative Procedures Act.
