Persons employed in nursing WITHOUT a valid Oklahoma nursing license are notified to cease employment in nursing immediately until a valid nursing license is issued. Continued employment in nursing WITHOUT a valid nursing license will be considered in violation of the provisions of the Oklahoma Nursing Practice Act. Orientation to an RN/LPN position is considered nursing practice and requires a current Oklahoma nursing license.

You are submitting an application for reinstatement of your single-state Oklahoma license. A single-state Oklahoma license will allow you to practice nursing in Oklahoma only. To apply for a multistate license, you must submit the Application for Multistate Licensure for Individuals with an Oklahoma License Not in Active Status.

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE APPLICATION

Review of criminal charges, disciplinary action, or judicial declaration of incompetence:
Applicants for licensure are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A “report in writing” means that the applicant/licensee provided a description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report should be in the form of a statement in the provided space on the application. Certified court records or a board order, as applicable, must be uploaded during the application process. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the Oklahoma Nursing Practice Act.
